

Necole,

Congratulations on a superb job of coordinating all of the phases of the DcRA Move to the Waterfront Station facility located at 1100 4th Street SW.

From purging to packing, you made our move and relocation to the new facility seamless. I know that you and your team literally went the extra mile to make sure that our move was a complete success.

I especially appreciate knowing that you and your team were there to hold our hands while leading us through the process and always being a phone call away whenever we felt unsure or uneasy about next steps.

Thanks to you and your team, DCRA launched its new operations on time and without any customer interruption. Our customers were pleased with our “new look” and our ability to be open for business to service their needs on time.
